

## 1. Testing Schedule

The Secretary of State's office conducts integrated system tests on two Wednesdays prior to Election Day between 8:00 a.m. and 12:00 noon Pacific Time. The system tests simulate election night by generating test data. The Secretary of State's office encourages data-feed media clients to participate in the system tests.

On the Saturday prior to Election Day, the Secretary of State's office will generate test files between 8:00 a.m. and 5:00 p.m. Pacific Time. This test is specifically for data-feed media clients to perform their *final* testing and verification.

Following is the test schedule for the 2016 Presidential General Election.
